

The Sasquatch Scramble 5K/10K/Half (Sat, 4/26) Parking Procedures

As parking in Redwood Regional Park is limited we'd encourage you to carpool with 2 more race participants.

We'll be offering priority parking spots to cars with 3+ passengers upon race day. Please plan to arrive 30-45 minutes in advance to also guarantee a parking spot within the park.

You may purchase a parking permit to speed up your entry into the park, which you can purchase as an 'additional item' during online registration for the Sasquatch Scramble.

Here are a few things to keep in mind regarding parking on race day....

- Carpools have priority (3 people required) and will get the closest parking spots to the Race Start/Finish area.
- If you arrive on Race Day w/o a Permit you will have to pay \$5 upon entering the Park to a volunteer. They're onsite to help out, so please have your money ready for collection.
- The volunteer at the gate will be collecting Parking Permits and/or \$5 for entry into the Park.
- Once you have provided your permit or paid the \$5 parking fee, you will be directed where to drive.
- There are a number of parking lots at the Park, we'll try to get you as close to the start as possible.
- Follow the directions of the volunteers, they're our eyes & ears and they want you to have a great day. If you misbehave we will not invite you back, so play nice!

Thanks!

-Sasquatch Racing
